**Profile**

A young Graphic Design student with strong visual and communication skills combined with a passion for all things design. Coming from a design background, both parents being Graphic Designers themselves, provides a keen visual awareness and has helped develop an individual who finds taking fresh, new approaches to briefs an important aspect of attaining the best from a good designer.

**Experience**

**The Entente Cordiale** *(March-April 2009)*  
**Reed Business Information** *(August 2008-present)*  
**The Entente Cordiale** *(September 2009)*

**Skills**

A fluent knowledge of Illustrator, Photoshop, InDesign, and even Quark Express can be expected. An increasing knowledge of Dreamweaver, Flash and Font Lab is a given too. A substantial knowledge of traditional and contemporary book binding, and screenprinting processes can be assumed. Pen, paper, scalpel, ruler, rubber, cutting mat, and spray mount all come as standard.

**Education**
